Presentations have become indispensable in our everyday lives, whether at school, in college or at work. On the SlideWiki platform, presentations, especially open teaching and learning materials, i.e. Open Educational Resources (OER), can be jointly created, edited, updated, changed and accessed. In this interview with L3S member Professor Sören Auer, Coordinator of SlideWiki and Director of the TIB – Leibniz Information Centre for Science and Technology, you will learn more about SlideWiki:
