Nikolaus Forgó - professor of Legal Informatics and L3S Director - and PhD-student Karoline Busse (LUH/L3S) have been appointed as members of the Digital Council of the State Lower Saxony.

The digitalRat.niedersachsen advises the regional government on overarching and interdisciplinary issues in connection with digitization. The task of the 20-man body is to accompany the state government in assessing the opportunities and challenges of the technological change affecting all areas of life and to make recommendations that also lead to far-reaching changes in the working world.

Details about the members and the sections:
