Anybody. Anywhere. Anytime. Organizations can get involved in a variety of capacities—planning local activities as a Partner, promoting the initiative as a Global Associate, or
coordinating the initiative for a participating country as a Lead Host. Young people interested in exploring their ideas and making them happen can do so face-to-face and online—with thousands of activities happening around the world and a social networking Web site to find new ideas at the intersection of cultures and disciplines. Existing entrepreneurs can mentor aspiring entrepreneurs and share their experience at local activities. How you get involved is up to you.
